Replacement and wearing parts directly from the manufacturer

Our machinery and systems produce replacement and wearing parts on the five major contents of the world, and providing them to our customers is our daily business. We ship by land, air and sea – always finding the most cost-effective method to reach you. We provide more than just replacement and wearing parts. Our experts are ready to assist you in choosing the right parts or can provide you with recommendations.

We also conduct a technical review of your parts request and order to ensure that you receive the right replacement or wearing part. The best way to access your required parts promptly is to stock up. We are happy to provide you with a recommendation based on your needs. Get everything you need from a single source.

Your wearing part package for the BSM horizontal splitting machine includes the following parts, for example, depending on the version:

6 piece Stripper for wheel
6 piece Diamond screw
12 piece Felt plate
6 piece Hard metal
6 piece Combined roll, complete
4 piece Knife guide

1 piece Driving belt
1 piece Upper binding
9 piece Retainer
10 piece Cup grinding stone Ø 125 mm
1 piece Lower binding

We would be happy to prepare a non obligation offer.
